Club Champion is first and foremost a premium after school child care option for parent. But what we offer at BCS is so much more than child care.

Several daily activity stations will engage children of all ages in areas such as manipulatives, construction, crafts, science, art and music. In addition, older children will find a quiet place to complete homework, while younger children will be involved in games and activities suited to their liking.

Healthy snacks and physical activity are also an important part of each afternoon.
